

Winthruster 1.79 Key

The screenshot displays the Winthruster 1.79 software interface. At the top, there is a navigation bar with six buttons: Status, Scan Registry, Defrag Registry, Backup Registry, Settings, and Register Now. Below this, the 'Last Scan Result' section shows a scan performed on Wednesday, October 24, 2012, at 01:46 PM. It reports 161 registry errors found and includes a 'View Errors' link. A 'Registry Damage Level' indicator shows a color gradient from green (Low) to red (High), with the current level being Medium. Below the scan results, there is a 'Select categories to scan' section with four options: System related errors (affecting all users), User related errors (affecting personal profile), Com and ActiveX errors, and Startup and Uninstall errors.
